

Frequently Asked Questions:

Why do you need my GDSN publications?

In today's world, there is an increasing demand for high-quality, detailed, and consistent product information. This information is crucial for driving business efficiency and boosting sales.

How do I publish my catalog to Harbor Foods?

Have a data pool?

No -Click on the link to get started.

[Syndigo GDSN Data Pool Demo](#)

Yes –

Accept subscriptions from Harbor Foods.

Harbor Wholesales GLN is **0868003000102**.

Harbor Foodservice **0860005771806**.

Then publish full catalog (exception of private labels is okay) to both GLNs.

Already published?– be sure to fix any publications that you received a CIC message and republish.

What image types are required for publishing?
